

# Glenridge/New Carrollton

CAT Meeting #1  
October 24, 2017

# Role of the Meeting Facilitator

- Neutral Party
- Run an orderly, professional and constructive CAT meeting
- Provide CAT opportunity to listen and receive information
- Provide CAT opportunity to ask questions

# Welcome

# Who Does What and Who Is In Charge?

- MTA retains ownership of the Purple Line
- PLTP and its construction branch, PLTC, are constructing the project for MTA
- PLTP and PLTC are carrying out construction in accordance with the P3 Agreement and the Technical provisions
- PLTC will provide Quality Control and Quality Assurance
- MTA is providing review and oversight, including Quality Assurance Oversight, over all PLTC's work
- MTA will monitor PLTC's work to ensure all Technical Provisions and requirements are being met

# How is PLTP's work monitored?

- MTA's Construction Management team includes:
  - Resident Engineers
  - Inspectors
  - Safety Officer
  - Environmental Compliance Manager
- MTA monitors construction activities for compliance with the Agreement, permits and law/regulations
- The Agreement includes specific requirements regarding notifications and worksite conditions (noise, dust, dirt on the roads)
- The Agreement also includes financial incentives and disincentives based on their performance

# Introductions of Key Staff and Stakeholders

# CATs Overview

# What is a CAT?

# Role of the CATs

CATs are intended to:

- Promote two-way information sharing between the Purple Line team and the community
- Offer a forum for residents and other community stakeholders to engage in open-dialogue with the Purple Line team
- Serve as an organized, results-oriented vehicle for identifying and addressing area-specific issues and concerns related to Purple Line construction
- Provide accountability for follow-up actions agreed upon by the Purple Line team and the community

# How Did We Get Here?

- CAT participant groups were identified within 1/3 mile of project alignment
- Chiefly composed of local resident and business groups, some at-large groups also represented
- Each participant group designated one primary representative and one alternate
- Terms “CAT representatives” and “CAT members” are used interchangeably

# CATs Kickoff Meeting

- This first meeting includes both primary and alternate CAT representatives
- CATs binders were provided to help keep meeting notes and materials organized and handy for future meetings
- Subsequent meetings can focus in on specific topics of interest

# Meeting Structure

- Meeting agendas will be organized by the Purple Line team based on project schedule and community input
- Meetings will generally have four main components
  - Action Items from Previous Meeting
  - Project and Construction Updates from Purple Line Team
  - Updates and feedback from CAT representatives
  - Questions and comments from the public
- All presentation materials will be made available via [www.purplelinemd.com](http://www.purplelinemd.com)
- CATs will meet regularly; individual meeting schedules will vary by CAT

# Role of the Meeting Facilitator

- Neutral Party
- Run an orderly, professional and constructive CAT meeting
- Provide CAT opportunity to listen and receive information
- Provide CAT opportunity to ask questions

# Ground Rules for a Successful Meeting

- Everyone is treated courteously and with respect – no rude comments please
- Take turns, talk one at a time, and limit side conversations
- Everyone should feel welcome to participate
- Differing opinions are welcome
- Start on time; respect everyone's time
- General public may attend the CAT meetings and can offer questions or comments during the last 15 minutes of every meeting.
- Weather-related cancellations will be based on the respective county school schedule or at the discretion of the MTA.
